- 4. Synod 2021 – 2023.** Pope Francis has asked us to be a people of "synodality" for the next two years beginning with Advent. Synodality is described as a journeying together, a time to listen to one another and to the Holy Spirit. The Holy Father said there are three words that characterize the synod: **encounter**, to draw near and be fully present to one another; **listen**, to hear one another; **discern**, let the Holy Spirit guide us. He wants everyone to listen to the Holy Spirit and each other to build a better relationship with the Lord. His goal is that we encounter one another, we listen to the heart, and we understand how the Spirit is asking us to move forward.

## Catholic Trivia

### The second Fatima secret.

Our Lady: "The war is going to end; but if people do not cease offending God, a worse one will break out during the pontificate of Pius XI. When you see a night illuminated by an unknown light, know that this is the great sign given you by God that He is about to punish the world for its crimes, by means of war, famine, and persecutions of the Church and of the Holy Father. To prevent this, I shall come to ask for the consecration of Russia to my Immaculate Heart, and the Communion of Reparation on the First Saturdays. If my requests are heeded, Russia will be converted, and there will be peace; if not she will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred, the Holy Father will have much to suffer, various nations will be annihilated. In the end, my Immaculate Heart will triumph. The Holy Father will consecrate Russia to me and she will be converted, and a period of peace will be granted to the world. In Portugal, the dogma of the Faith will always be preserved."

Mary spoke of the end of the war, but at the same time foresaw another, a much more terrible war. She explained that the cause of the war would be people's sins. What Our Lady said was incomprehensible to the illiterate Lucia. It would have even been incomprehensible to the educated, had they been in her place, for in July 1917, no one had heard of Pius XI or of Russia's godless propaganda.

Russia was at the center of Mary's message. When Lucia first heard the word "Russia", she thought it was the name of a sinful woman who needed to be converted. Francisco was convinced that it concerned his uncle's stubborn mule, which was called Russa.

Our Lady instructed the children to add the following to every mystery of the Rosary. "O my Jesus, forgive us our sins, save us from the fires of hell. Lead all souls to heaven, especially those most in need of Thy mercy. Amen." This is known as the "Fatima addition", which became an inseparable part of the Rosary throughout the world.
